Dear brother,

Your kind letters. I am leaving for Madras tonight for medical treatment. Friends and admirers in this university are contributing to the Doctor's memorial Fund and I have paid my small contribution Rs 4—. You will get the consolidated sum in due course. As regards your kind request for an article, I shall most willingly send you one before the time fixed, if I am physically fit.

Expecting to meet you in Madras, after you return from the Karanthai Conference.

Yours affly
R.P. Sethu Pillai
